THREE THINGS THAT MAKE A SUPER ADVENTURE COMIC!

1. CHARACTERS

Try and make your characters look distinctive. What is unique about your hero? Does your villain have a special power?

IDEAS:

A robot arm; a pet martial arts monkey; electricity hair; solar goggles; gills; axe hands!

2. LOCATION

Where your adventure is set can add to the excitement! You don't have to draw a background in every panel, but try and set the scene early on.

IDEAS:

A volcano; the jungle; a ruined temple; in the sewers!

3. OBJECTS

Maybe it's something your hero and villain both want. Maybe it's something lost that must be found. Maybe it's something your hero has and your villain needs!

IDEAS:

A treasure map; a magical key; a time orb; the new issue of *tBk Mag!*
